

NURSE CORPS LOAN REPAYMENT PROGRAM

As part of our commitment to attracting and retaining healthcare professionals to our community, Fastpace Health proudly participates in several competitive loan repayment programs for healthcare professionals. We are devoted to fostering our clinicians' success in their respective fields and enabling them to seize every avenue to obtain loan repayment benefits.

The Nurse Corps Loan Repayment Program is a competitive program that awards up to 60% loan repayment for eligible nursing educational debt. Extension contracts are available for an additional 25% of initial reported loan balances and one additional year of service.

To find out if you are working at a Nurse Corps approved site with Fastpace Health, please reach out to HPSA Acumen's HPSA Benefit Support Team with your name, employer, and work site's physical address:
